Position description

Job title

Junior Accountant - Managed Services

Function

Accountants - Assistant Accountant

Roles & Responsibilities

KPMG's Managed Services helps multinational companies, active in a variety of sectors, with their accounting, finance and tax processes.

As a Junior Accountant you will have the opportunity to work in team for distinguished companies. At KPMG, you will be surrounded by people who will help, guide and train you for you to become an expert and a reliable accountant. Your main responsibilities exist of, but are not limited to:

- preparing of daily accounting;
- assisting clients with the monthly closing activities;
- assisting supervisors with the year-end closing;
- standing by clients in case of an audit.

You will have the opportunity to grow and increase your responsibilities through contact with different clients, industries, coworkers and internal trainings. Depending on your interests you can take up new challenges, such as VAT and Corporate Income Tax, but also over time develop business development and people skills.
